ALONE FOR JESUS:

NY ENNIGN P. PRITEL

Tunz-Let us matter seeds of kindness,

Let us live alone for Jesus,
Live alone His will to do;
Let our hearts be clean and holy,
And our motives pure and true.
Let us live above earth'o voices, Hiding in the secret place,

Oh, live alone for Jesus, Oh, live alone for Jesus, Oh, live alous for Jesus, Till we meet Him face to face

Though often we are tempted, And the devil says "Come down," And we feel that, all combining, Men and devils on us frows. But we still will battle heavely 'Gainst the devil and every sin, Till the pearly gates shall open, And as conquerous we march in.

Anna se conquerors we make in .
Let's ramounber days are fleeting,
Soon our chances will be gone;
As the general Roll Call summoned
We our weapons must lay down.
Then those who have lived for Josses
Shall receive a starry crown,
Hear the Saviour's "Come ye blessed
By My ede, come and sit down."

THE JUDGMENT.

OT OBJOADIER MARGETIN

just,
The chains of death and time to burst. The chains of death and time to burst.
The summons now obey you must,
"Come away to Judgment!"
From grave and tomb, from Isad and see
Arrise! the Lamb, ourse slain, to see;
Arrayred in a with majesty,
And meet Him at the Judgment.

CHARTH Hark I the trumpet sounds the call,

Sinner, dreadful is your doom, Shout, salvation soldier, you are going home.

Shoot, savenumenter, you are you gone. The lightnings slash, the thunders roll, The beaven's departing as e scroll; Sad nows to unregeneste sold; Sad nows to unregeneste sold; Come sway to Jodgment.

As a lake ! the unclose call From rich and poor, from great and small, "Oh rocks and mountains, on us fall, And hits us from the Jodgment."

But rocks are rending, mountains fise, No refuge, sinner, now for thee; To meet thy fate tearnally.

Stand before the Judgment.
Books opened are, thy name is called, Thy wrethed soul now stands appealled; "Bleparty occurs," with abane onthralled The verdict of the Judgment.

The vertice of the Judgment.
While dowlist teams, and feends commit
Thy soul to anguish and the pit;
Shining with jor, with glory lit,
In however, miter Judgment,
In however, and picture of the picture

AWAY, SAD DOUBTS. BY LELLIE GRYNTON.

Tune-Am I a soldier of the Growt

Was Jesus' blood on Calvery shed To save a wretch like me I The guilty sincer litts his head To gaze on Calvery. (Repeat Last two lines.)

Can Jesus' blood now make me white, This sin-polluted sool? Oh, Lord, I trust, to Thee I look? Now lot it make me whole.

Away, ead doubts, my God is mine!
I'll tell to all the world
The blood does cleanse, that love does mean My ain-aick weary soul.

Come, sinner-friend, come taste with me That love so full and free; Come, bear His cross, His burden share, A crown He has for thee.
